“Why should I join GBC?” *Do you care about our kids learning, playing, and growing up in a place that is safe and clean? Do you care about your property value? Do you care that garbage is not lying all around the community? Do you care that graffiti is virtually wiped out in the community? Do you want our kids to respect what we have? Do you want to learn and be aware of what is going on in the community? Many of us moved into GB or refuse to move out of GB because it is cleaner than it has been in decades. By joining, you are becoming a part of an historic movement to continue keeping the community clean and safe, improve property values, improve recreation, and teach our kids important values they will eventually pass on to new generations.*

“I already belong to another organization, why should I join GBC.” *Many of GBC Board members are members of another organization in GB. In fact, many of us are members of several organizations. GBC was not created to replace or substitute another organization. One of the purposes of GBC is to enhance other organizations in GB. GBC is the only organization that is open to all residents to create a proper voice for our future.*

“I would like my family to join. Are there family memberships? *GBC is currently offering \$25 family memberships of three or more per household.*

“I am renting a home or apartment. Can I vote on business matters of GBC?” *Yes, you can. As long as you are either a resident or merchant, whether you rent or own, within the geographical boundaries set by GBC, which is more or less the peninsula of Gerritsen Beach and its surrounding waterways.*
